Getting a Daisy B·B Gun is like getting a good grade.

You have to work for it.

We want every boy to enjoy the thrill of owning a Daisy. But we want him to be ready.

You see, a Daisy is a gun. It's not a toy.

You have to be ready to learn marksmanship and proper gun handling. It's a big responsibility.

What kind of boy is ready for his Daisy?

You can tell by the way he handles other things. Like schoolwork, and jobs around the house. He knows how to take serious things seriously.

He knows a gun is no laughing matter. And when he gets his Daisy, he grows up a little more. Because nothing teaches marksmanship and proper gun handling like a Daisy B·B Gun.

If you think you're that kind of boy, talk it over with your parents. Tell them you understand the responsibility of gun ownership, and are ready to practice it.

When you're ready to learn the lessons a Daisy can teach, we'll have a Daisy ready for you.

Send for "The Air Rifle Marksman." Mail your name, address, and 25¢ to Daisy, P.O. Box 220, Rogers, Arkansas. 72756.

The B·B Gun every boy dreams about.
